

1st Annual Craft is Art Christmas Faire

Summer time is here and the heat is on, but it's not too soon to think about Christmas! December 3rd and 4th, 2011, the 1st Annual Craft is Art Christmas Faire will be held in Woodland, CA at the Yolo County Fairgrounds!

This event will be held inside the Home Arts Building and will include about 30 12'X12' booths of participating artists and art related vendors. Music and food will be supplied this year by several local youth and non-profit groups.

The goal is to allow Northern California artists an opportunity to showcase and sell their creations and provide the community, and all Christmas shoppers, access to fine and unique gift items that will be greatly treasured.

Please join a talented and innovative group of artists and dilettantes as we kick off a special holiday season by reserving your booth now! Fill out the reservation form and mail to the address listed, along with a check for \$50. (full), mark the date on your calendar and get to work!

Thank you in advance for helping make this a successful annual event. We look forward to promoting your art and making quality gifts available in Northern California, especially in the immediate area. Please feel free to share this opportunity with fellow artists and craft persons who might like to share in this venture.

Sincerely,

Susan Pool
